### August 2016 Highlights

Dear Pastor,

**Outreach:** We have continued going out & flyering the greater municipal area of Aveiro. We thank the Lord that He allowed us to get out another 3,622 this month. It is exciting watching our “master map” of the area getting more & more highlighted. It is a large project but definitely doable as we continue going out.

**Visitors:** Two of the three visitors from last month, Pastor Candido & Fatima, have continued coming to our Sunday & Midweek services. Praise the Lord that His work continues to go forward. We also had another visitor from the Czech Republic who is the father of one our church members attend our services during August.

**Guest Speakers:** During the absence of our veteran missionaries, we have seen missionaries & national pastors filling the pulpit on Sundays. It has been a privilege getting to know these men & their families. Most of them have been over to our house for lunch. While they have been at our house, we have tried hard to “pick their brains” & to be teachable. Each time, we have learned new things about this country & its fantastic people.

**Veteran Missionaries:** Our veteran missionaries dropped off their daughter at college this past week. Please continue to pray for them during this transitional time of life.
