It is a privilege and an honor to say that I can recommend Bro. and Mrs. Josiah DaCunha as Missionaries to Portugal.

Bro. DaCunha has worked on our Pastoral Staff for the past several months. His ministry has involved overseeing the youth and being involved in various aspects of the church. His training has been thorough and he has a good spirit. God has blessed him and his wife with a beautiful baby girl.

I believe they will be very dedicated Missionaries. Our church will certainly support them and look forward to what God will do through them.
