Is. 42:6 I the LORD have called thee ... for a light of the Gentiles

December 2016 Highlights

Dear Pastor,

Language School: Gloria passed her language class at the university. Her language class starts again at the end of February until then Gloria will be working with a tutor on her pronunciation & vocabulary. Josiah did finish his language course's second stage and will begin the third stage in January.

Outreach Opportunities: The all church flyering day went very well with a good attendance from the church family. We praise the Lord that we saw almost 1,500 Christmas flyers passed out. The Christmas presentation also went well with a first time visitor in attendance & several occasional visitors.

Newton Family: Mrs. Newton should be having surgery on Wednesday January 11. Please pray that God's hand is upon the operation, the recovery, & the testimony of the Newtons.

Preaching: Josiah had the opportunity to preach twice this month for the midweek service. What a privilege it is to preach the Word.

Niece: On December 13, we were blessed to hear that Josiah's brother's daughter, Leia DaCunha, was born. There were a few complications, but both Baby Leia and Kate are doing well. We thrilled to now be an Aunt & Uncle. Tirzah & Jonathan are both in love with their cousin.
