### November 2016 Highlights

Dear Pastor,

**Language School:** We have both been progressing well in our language studies. This coming Monday, December 5<sup>th</sup>, will be Gloria's final exam for the semester. The following Monday, she and some classmates will have to give a PowerPoint presentation. Please pray that she does well both nights. Josiah appears to be on track to finish the second stage of his course by the end of the year which should leave only one more stage to this particular course. We are also using an app called Duolingo to supplement our official language studies. This is also a big help.

**Outreach Opportunities:** The café language meetings look promising, & we have already crossed paths with two of the students from there. Our Thanksgiving lunch went well with 7 guests in our home. Two of those guests are not church members. One is Josiah's language teacher, Paulo. The other is one of Gloria's classmates from Venezuela named Maria. Please pray we will have opportunities to present the gospel to both & to strengthen our friendship with them. Igreja Baptista de Esgueira will be having a Christmas presentation on December 18<sup>th</sup>. Saturday the 10<sup>th</sup> will be an all church flyering day. Please pray for God's blessing.

**Newton Family:** Mrs. Newton is doing well. Her tumor is shrinking. However, her doctor has decided to give her another round of chemo the week of December 4-10. Surgery will most likely be in January.
