

## *The DaCunhas To Portugal*

*Is. 42:6 I the LORD have called thee ... for a light of the Gentiles*

### October 2016 Highlights

Dear Pastor,

**Language School:** This past month, Gloria's language class had midterms. She passed the exam & her teacher said that he can tell she has been doing a lot of studying at home. Josiah's program has three levels. He is almost two-thirds of the way through the 2<sup>nd</sup> level.

**Outreach Opportunities:** Through Gloria's language class at the University, we learned how once a week the language students meet at a café to practice Portuguese. We are going look into this wonderful opportunity to strengthen our Portuguese but also to make contacts. We are planning to have a Thanksgiving lunch at our home & invite church member, neighbors, & classmates to this lunch. Please pray that God would use this as a way to make contacts that we can work on.

**Newton & Loop Family:** Mrs. Newton by the end of November will have gone through three rounds of chemo at which time she will be assessed to see if she needs more chemo or if they can operate. The Loop Family arrived safely in Portugal, November 15. Their furlough went well, & it is a blessing to have them back in country.
