

The DaCunhas To Portugal

Is. 42:6 I the LORD have called thee ... for a light of the Gentiles

September 2016 Highlights

Dear Pastor,

Language School: Gloria began her language classes this past month. She had been studying using a language book that she got while we were on deputation. Her class meets twice a week. It is definitely challenging her, but she is already seeing results after only a few weeks. Because it gives even more of an opportunity to practice her Portuguese in an environment that understands & helps her further develop her knowledge of Portuguese. Throughout the week, we strive to study the language in different ways.

Translation Ministry: Every week, we have about three English speakers who need someone to translate the Sunday School lesson & sermons for them. Josiah has been translating for them during Sunday School & many of the preaching services. One way that helps him to prepare for this is by translating the Sunday School curriculum lesson each week.

Newton Family: This past month, one of the missionary families here in Portugal had to fly back to the U.S. for emergency medical reasons. Please be in prayer for the Newton family (Allen & Barbara). At this time, it appears that they will have to be in the U.S. at least through the end of year. Praise the Lord that their daughter & son in law are also missionaries here in Portugal & serve in the same church.
