April 2017 Highlights

Dear Pastor,

Ministry: Blessed has been the theme of this past month. The teen/young adults activity went well this past month with an attendance of four. A good group of people came out for Evangelization Saturday. Due to that, Esgueira Baptist Church was blessed to see over 3,000 tracts go out in the 2 weeks leading up to Resurrection Sunday. Our services were blessed with a wonderful spirit, attendance (52), special music, & great preaching. Also in preparation for that Sunday, the church was painted & a speaker installed in the nursery for the workers to hear the services. We were also blessed to have another church begin supporting us. However, the church van's gear box & disk went out. Please pray that its repair is swift & inexpensive.

Family: This past month has also been good for both sides of our family. Gloria's family in Germany had been informed at the beginning of the year that the apartment they are renting would be sold. This past month, they were blessed to buy an apartment. Our niece, 4 months old, had mouth surgery. The surgery went well & the recovery has also gone well. The blessings could continue. However, we will just say, "God is good all the time."

Housing: We are continuing to look for housing & a meeting location. May 2, we will be looking at some more properties. Thank you very much for your faithful prayers & stand in your community.
