

The DaCunhas To Portugal

Is. 42:6 I the LORD have called thee ... for a light of the Gentiles

January/February 2017 Highlights

Dear Pastor,

Teen Winter Camp: On February 27 – March 1, we took 2 teens to Winter Camp. The spirit at camp was extraordinary with every teen excited & learning. 6 Churches attended the camp with 20 teens with 6 counselors. The theme of the camp was “Springs of Living Water.” Throughout the camp, the teens were reminded that the source of Living Water is Jesus & encouraged to serve in their churches.

Visitors: We continue to consistently see visitors every few weeks. In the last 2 months, there have been 5 first time visitors & 2 returning visitors (they visit annually while visiting family in Portugal). Please pray 1st time visitors become returning visitors, believers, & then members.

Newton Family: Mrs. Newton’s surgery went well & was followed by two more rounds of chemo treatment. She is now cancer free, but is remaining in the U.S. for recovery & observation for several months.

Church Plant City: God has directed us to the community where we will plant a church, Santa Maria da Feira. The town proper has a population over 11 thousand & the municipality has over 139 thousand. We are very excited to now know the actual community where we will be starting a church. Please pray with us about when, where(meeting location), & how. We are still planning to serve here for a second year.
