### October 2018 Highlights

Dear Pastor,

**Camp Offering:** In the city of Castelo Branco, there is a church that has a camp ministry to which we send our young people twice a year. Since August, our church plant & the church in Esgueira have been raising money as a mission's offering for the camp ministry in Castelo Branco. This offering is specifically to help with the maintenance of the facilities there. Two churches in the U.S. sent a special offering to help. Praise the Lord, He allowed us to raise almost 1,900 €.

**Contacts:** We have continued to stay in touch with Ana via Facebook. However, it appears that it will be a slow process before we get to meet her. Please pray that through patience that time will come. More important than that though, please pray that she would get saved. Whether directly through our ministry or not, her salvation is of the greatest importance.

**Wedding:** This past month on October 26<sup>th</sup>, Josiah's younger brother, Andrew, got married to Joy Manuel. They are representatives of Treasure Mountain Bible camp who will be presenting this camp ministry at churches as well as serving at the camp during the summer.

**Pregnant:** We are thrilled to announce that Gloria is expecting. The twins are due in the beginning of March. Yes, twins. God has blessed with two more. Please pray for their health.
